WHERE BUSINESS MEETS SCIENCE

VALUE PROPOSITION

For \$50, each member of the Texas A&M Data Analytics Club will get their resume in front of recruiters at top companies, will receive training for case competitions and engage other students as a collaborative group helping each other for internships and projects

ABOUT US

TDAC was started in 2017 and has helped hundreds of members improve their analytical abilities and prepare for summer internships

Phone : 979 229 3300

Email : tdac.prez@gmail.com

<https://maroonlink.tamu.edu/organization/aggieanalytics>

Top Companies

Members get exclusive resume book opportunities to companies like Google, Facebook, Apple, Amazon and more

Case Competitions

We will prepare you for the Texas A&M Humana Analytics Case Competition and the Texas A&M Datathon

Collaboration

We foster a collaborative environment where students help each other with internship preparation and analytics projects

***Subject to change based on recruiter schedule**
